8. Please give a statement explaining why you believe you should be elected. (Explain your goals and what you can offer the association).

During the past 4 years that I have had the privilege to work and serve as one of the North Carolina Association for Hospital Central Service Professional Board members. I have also served as the President Elect & President of this very fine & professional organization. I have truly have learned a lot from each & every board members. I also have learned lots of valuable things from each one of you too!!! I have learned what a great group of professionals we are, but also what is important to each one of you that are out working in the Sterile Processing/Materials Management/CS field. Education, Growth, & Recognition!!

I promise to each one of you that if I am elected as a Board Member that I will:

- * Help to increase the awareness of our CS profession and the impact that it has on healthcare today & in the future of tomorrow.
- * Strive to see that we continue to offer quality educational programs that are beneficial, useful & meaningful to all members which we serve.
- * To support the mission of the NCAHCSP
- * To promote growth and participation within our own association & any other associations which we are closely affiliated with.
- * To serve as the best board member that I can be in representing each one of you within Our Central Service / Sterile Processing / Materials Management Profession!
