Hi my name is Ann Thomas. I have worked for Carolinas Medical Center for the last 12 years. I've been a member of the NCHSP Association for the last eight years. I am a certified Inst tech four and I wanted to join the board to learn more about helping the organization. I would like to have a positive input on contributing more in helping out my co-workers. Assisting others in need is a driving force for me. Some of the organizations I'm apart of include Vanguard Society and other well known charities.
